

graf patsch taucher

We are dynamic business lawyers with a strong international focus. We concentrate on the essence while being innovative. We do not engage in questions of detail but come to the point. Work with us to understand what individual service combined with passion effectively means.

We really do speak your language. We are constantly servicing projects in English, Russian and Polish. Thereby we facilitate the smooth processing of international transactions for our clients; particularly also in Central- and Eastern Europe, where Graf Patsch Taucher is a partner of Pontes.
