

Jinga & Asociatii PONTES is a Romanian business oriented law firm, continuously developing since 2005 when it was established.

With two offices, one located in Bucharest and one in the middle of Romania, in Brasov, and a team of experienced and enthusiastic lawyers and tax advisors, Jinga & Asociatii PONTES have earned the reputation of being one of the most dynamic and pragmatic Romanian law and tax firms.

In order to adjust our practice to the continuously evolving business environment, we are constantly developing as to be a reliable legal advisor when it comes to any legal aspects of an enterprise. Our areas of practice cover all the legal needs of entrepreneurs and enterprises, as we are constantly aiming to provide the full range of business related legal and tax services.
